
Fiscal Note
Bill Number SB0048

23-Feb-99

10:34 AM

In order to comply with the requirements of this bill, the Department of Health would need an appropriation of \$64,000 in FY 2000 and \$60,000 annually thereafter, for the additional committee members and for one FTE auditor.

Individual and Business Impact

Health care providers may experience a loss of revenue since they would be required to offer discount prices to more affiliated managed care organizations. This loss would likely result in cost-shifting to other patients and insurance carriers.
