
Fiscal Note
Bill Number SB0117

Utah Department of Transportation Construction and Maintenance
Bid Limit

26-Jan-00
12:08 PM

Provisions of this bill raises the minimum cost of a construction or improvement project sponsored by the Department of Transportation from \$40,000 to \$80,000 before a contract to the lowest bidder is required. This could reduce the need for extensive design work and costs to advertise for a bid. This could reduce expenditures from the Transportation Fund by as much as \$500,000 annually. Those funds could then be redirected to maintenance or new road building.

Individual and Business Impact

No fiscal impact.
