

State Impact

The fiscal impact is a loss of dedicated credit (tuition) revenue of \$45,200 which may be replaced by the Legislature for tuition waivers of 125 additional non-resident students. Schools impacted by this legislation are Dixie State College, Utah Valley State College and Salt Lake Community College.

Individual and Business Impact

For those non-resident students that receiver a tuition waiver, may save all or part of the amount of resident tuition. This amount varies by insitution. By increasing the number of non-resiident tuition waivers, it reduces the number of resident students receiving waivers because of the 10 percent ceiling on tuition waivers.
