
Fiscal Note
Bill Number HB0294

Credit Union Member Access to Information

14-Feb-01

5:05 PM

State Impact

No State or local government fiscal impact.

Individual and Business Impact

There may be some additional expense to credit unions to gather and report specific information. The credit unions will be required to gather the information, but report it only on request. It is estimated that these expenses will be minimal and can be absorbed within the operating budgets of any credit union in Utah.
