
Fiscal Note
Bill Number SB0008

Reauthorization of Utah Steam Coal Tax Credit

15-Jan-01

5:52 PM

State Impact

Currently \$1,500,000 in Uniform School Fund is diverted annually as a result of this credit. Passage of this bill would continue this diversion through January 1, 2007.

Individual and Business Impact

Passage of this bill would continue to allow companies who are currently eligible under existing statute to apply for steam coal tax credits.
