
Fiscal Note
Bill Number SB0155

Retirement Board Membership

29-Jan-01

2:33 PM

State Impact

The cost of adding two members to the Utah State Retirement Board is estimated at \$30,000 annually. These costs will come from the Retirement Trust Fund, but does not require a legislative appropriation.

Individual and Business Impact

Individual members of the Utah Retirement Systems who are employees of cities or counties may have additional representation on the Retirement Board.
