Bill Number SB0161

Revenue Bond for Utah State Fair Park

30-Jan-01

4:25 PM

State Impact

This purpose of this bill is to allow the Fair Park to issue debt to construct a revenue generating facility on its campus. The first two years of debt service, at \$330,200 annually, may be capitalized within the bond. Future debt payments will be made assuming that the Fairpark will be able to generate enough revenue to cover the debt service.
