Joint Resolution Encouraging Use of State Property for Filming

23-Feb-01

9:55 AM

State Impact

No fiscal impact.

If this resolution is carried out, the state may lose some rental revenue from incentives offered the film industry using state-owned property. This may be offset from additional tax revenue. However, it is not possible to give reliable estimates.

Individual and Business Impact

This bill should help the film industry in Utah, but no estimate is given.
