
Fiscal Note**Nutritional Food in Schools***22-Feb-02***Bill Number HB0200s1***3:36 PM*

State Impact

No fiscal impact on State funds. However, revenue generated by vending machines in schools may increase or decrease depending upon the demand for products other than water, milk, 100 percent fruit juice and fresh fruit currently sold in such machines.

Individual and Business Impact

Water, milk, 100 percent fruit juice, or fresh fruit will have to be substituted for a limited number of products currently sold in elementary school vending machines.
