**Fiscal Note****Combining Divisions of Substance Abuse and Mental Health***27-Feb-02***Bill Number HB0314***11:38 AM*

---

**State Impact**

Combining the two divisions would result in the elimination of 4 FTEs in the State Offices and one policy board. Savings is estimated at \$250,900 (\$163,100 General Funds) in FY 2003. However, language in the bill makes any savings from this consolidation nonlapsing and available to the new division in FY 2004. Therefore, there would be no fiscal impact to the State.
