**Fiscal Note****Bid Requirements on County or Municipal Construction Projects***22-Feb-02***Bill Number SB0102s1***11:24 AM*

---

---

**State Impact**

While no fiscal impact to State budgets, passage of this bill could increase or decrease construction costs to counties, school districts and special districts depending on the number and size of the bids being received.

---

**Individual and Business Impact**

Passage of this bill may increase contractor accessibility to county, school districts and special district projects.
