
Fiscal Note
Bill Number SB0107

Utah Labor Commission Amendments

16-Jan-02

8:33 AM

State Impact

This bill will cut occupational disease referrals to medical panels by approximately 50% saving about \$40,000 in medical panel fees annually. These are funded from the Uninsured Employers Fund which is funded by an assessment against all insured or self insured employers.

Individual and Business Impact

No significant fiscal impact.
