
Fiscal Note

Restriction of Funding on State Entity whose Policy, Rule, or Action is 05-Mar-02
Contrary to Law

Bill Number SB0147s1

7:33 PM

State Impact

It is assumed that the 60 day window to convene a legislative hearing will allow for a schedule that places any hearing on an interim day, thus alleviating the need to fund per diem for those in attendance on a case by case basis. Any fiscal impact on agencies and institutions will be dependent on course of action taken by the Legislature.

Individual and Business Impact

No fiscal impact.
