
Fiscal Note
Bill Number HB0201s1

Judiciary Amendments

12-Feb-03

11:32 AM

State Impact

No significant fiscal impact; the bill reflects current practice.

Individual and Business Impact

There could be a savings in time and money for those having sufficient resources to use credit cards or debit cards to pay bail. Some transactions may be able to be done over the telephone thereby saving time as well. The cost could increase to those posting bail if the transaction fee is passed to the consumer.
