

State Impact

The provisions of this bill could generate revenue for county governments. The amount will depend on the price the county decides to charge up to \$20 and the number of couples choosing to enter into a "Covenant Marriage." A one-time General Fund appropriation of \$1,900 to the State Registrar (Department of Health) for printing costs is also required.

Individual and Business Impact

The bill requires a couple to receive counseling before entering into a "Covenant Marriage." This may require the payment of a fee for counseling along with the county fee. Counties are authorized to charge up to \$20 for a "Covenant Marriage."
