

AMENDED NOTE

State Impact

Additional payments to some recipients of the Employers' Reinsurance Fund will total about \$100,000. This can be handled within existing fund balances for FY 2004 and FY 2005. Civil assessments for non-compliance will generate about \$25,000 annually to the Uninsured Employers Fund. This fund activity does not have to be appropriated.

Individual and Business Impact

The bill will increase adjudication expenses for insurers, including the Workers' Compensation Fund. Some worker claims that would have been denied would be paid. Impact is difficult to estimate.
