

State Impact

This bill will need the services of one-half FTE at a first year cost of \$26,500 from the General Fund Restricted - Commerce Service Fund. Exempting regulated facilities from the requirement to have their employees registered as Health Care Assistants will decrease the number applications and renewal by 75%. This will result in a loss of \$179,400 to the Commerce Service Fund. Regulation of Geriatric Care Managers will generate an additional \$1,200 to the Commerce Service Fund. Spending from the Commerce Service Fund could affect revenue available to the General Fund.
