

**State Impact**

Through more effective cost recovery for state-paid medical benefits, the Office of Recovery Services estimates additional collections of \$500,000. Of this amount, \$358,600 would be refunded to the federal government; \$141,400 would remain with the Medicaid program.

**Individual and Business Impact**

Some individuals who have received benefits from the state may have the costs of those benefits recovered by the State that currently go uncollected.
