

State Impact

Additional background and FBI checks will require an additional one-half time employee at a cost of \$27,200 from the Commerce Service Fund in FY 2005, including one-time capital outlay of \$6,800. Spending from the Commerce Service Fund could affect the revenue available to the General Fund. Revenue from fines authorized in the bill will amount to about \$5,000 annually. These funds are to be used for educating people in the profession about the law.
