
Fiscal Note**Archeological Resources Amendments***22-Feb-05***Bill Number: HB0308S01***7:12 AM*

State Impact

Passage of this bill would transfer funding and oversight of the State Historic Preservation Office to the Division of Wildlife Resources. There should be no net fiscal impact to the state as all oversight functions related to historic preservation would be provided by the Department of Wildlife Resources.

Individual and Business Impact

No fiscal impact.
