
Fiscal Note
Bill Number SB0019

Disease Testing of Individuals Exposed to Blood Borne Pathogens

17-Jan-05

5:47 PM

State Impact

This bill will result in a slightly reduced workload at the Department of Health and local health departments. Savings are not expected to be significant.

Individual and Business Impact

This bill will allow individuals who have had a work-related exposure the use of rapid technology for testing purposes, which could save them some costs.
