
Fiscal Note**Mercury Switch Removal Act***10-Feb-06***Bill Number: HB0138S01***1:33 PM*

State Impact

Provisions of this bill can be enacted within existing budgets. The bill requires manufacturers to pay a fee to DEQ to receive an approval for their plan to collect used mercury switches. This fee is anticipated to be minimal because of the relative few auto manufacturers.

Individual and Business Impact

Individuals removing mercury switches will receive fees from auto manufacturers.
