
Fiscal Note**PEHP Risk Pool Amendments***03-Feb-06***Bill Number: HB0215S01***9:12 AM*

State Impact

This bill is expected to be cost-neutral to the State. Groups who elect to join the State risk pool may experience some savings in cost for health insurance coverage; these savings will vary based on difference in health plan design, geographic ability to utilize PEHP's lower-cost networks, and demographic differences between the current group pool and the State pool.

Individual and Business Impact

No fiscal impact.
