
H.B. 162 - Illegal Drug Sites Contamination Amendments

Fiscal Note

2007 General Session

State of Utah

State Impact

Enactment of this bill will not require additional appropriations.

Individual, Business and/or Local Impact

Enactment of this bill likely will not result in direct, measurable costs and/or benefits for local governments. However, it is unclear who will pay for testing. Individuals and businesses may be required to pay the cost of testing for suspected contamination on their property, if a complaint is filed with the local health department from a source other than a law enforcement agency.
