
H.B. 256 - Minimum Wage Provisions

Fiscal Note

2007 General Session

State of Utah

State Impact

Passage of this bill may require increased funding for wages for some state agencies and institutions of Higher Education. No reliable estimate is currently available since factors such as taxes paid, effects on state financial assistance programs, and effects on employment rates should be considered in any detailed study of this issue.

Individual, Business and/or Local Impact

Passage of this bill may require increased funding for wages for local school districts and local governments. Increasing the minimum wage would increase pay to some employees, increase personal services costs for some employers.
