
H.B. 288 - Zion National Park Special Group License Plate

Fiscal Note

2007 General Session

State of Utah

State Impact

Enactment of this bill will require a one-time appropriation of \$8,200 from dedicated credits to the Division of Motor Vehicles for set-up and production costs, based on an initial order of 500 sets of 3-color plates. The Zion Natural History Organization has agreed to pay for these initial set-up and production costs. Before the Division may produce additional plates, it must receive a reorder fee. Restricted fund revenue of \$12,500 is anticipated, which will be deposited in a new Zion National Park Support Programs Restricted Account and appropriated to the Division of Parks and Recreation.
