
H.B. 329 - Deferred Deposit Loans

Fiscal Note

2007 General Session

State of Utah

State Impact

Enactment of this bill will not require additional appropriations. Existing staff would see some reassignment in their work priorities to handle the additional workload estimated at 260 hours annually.

Individual, Business and/or Local Impact

Enactment of this bill likely will not result in direct, measurable costs and/or benefits for individuals or local governments. Check cashers would experience some increased costs to provide the required information and to design new contracts.
