
S.B. 68 - Funding for Tourism Promotion

Fiscal Note

2007 General Session

State of Utah

State Impact

Enactment of this bill will not require additional appropriations.

Individual, Business and/or Local Impact

Enactment of this bill would have no net impact. However, there would be a diversion of approximately \$3,300,000 annually (starting with \$1,500,000 in the second half of FY 2008) from current allocations to an organization whose primary purpose is to promote the restaurant industry statewide.
