**Revised  
Fiscal Note**

2007 General Session  
State of Utah

**State Impact**

Two funds, the Consumer Protection Education and Training Fund and the Securities Investor Education and Training Fund will see their caps raised from the current \$100,000 to \$250,000 each. This impacts the projected revenues for both FY 2007 and FY 2008 in that approximately \$250,000 that was expected to be transferred to the General Fund will not occur. The FY 2009 revenue projections, yet to be determined, will be adjusted for the decreased General Fund transfers.
