
S.B. 167 2nd Sub. (Salmon) - Utah Sports Authority

Fiscal Note

2007 General Session
State of Utah

State Impact

Enactment of this bill would transfer funding and oversight responsibility related to the Pete Suazo Athletic Commission from the Department of Commerce to an independent agency created in bill, the Utah Sports Authority. Currently the Commission is funded through Commerce Service Fund revenue. In order to enact the transfer, Commerce Service Fund appropriations would have to lapse to the General Fund creating a General Fund revenue source to appropriate from. The amount of the transfer proposed is \$170,000 in FY 2008 and FY 2009. In addition, the Utah Sports Authority will need a one-time appropriation of \$17,500 (General Funds) for costs related to the move from the Department of Commerce.
