**S.B. 18 - Public Safety Retirement Death Benefit Modifications**

**Fiscal Note**

2008 General Session  
State of Utah

---

---

**State Impact**

Enactment of this bill will cause retirement contribution rates to increase for all current employees covered by the public safety retirement plans. This require an appropriation of approximately \$1.3 million distributed to state agencies that employ individuals covered by these plans.

**Individual, Business and/or Local Impact**

Enactment of this bill will affect local governments, whose retirement rates for employees covered by the public safety retirement plans would increase between 0.75 and 1.30 percentage points. The individual impact on local employers and employees will vary based on whether or not employees pay a portion of their pension contributions.

Some spouses of deceased members of the public safety retirement plans will receive a higher allowance if this bill is enacted.
