**S.B. 38 1st Sub. (Green) - Transparency in Government Finance**

**Fiscal Note**

2008 General Session

State of Utah

---

---

**State Impact**

Implementation of this bill will require \$250,800 ongoing and \$480,400 one-time for additional hardware, software, and personnel hours to develop and maintain a public facing financial data warehouse for state agencies.

**Individual, Business and/or Local Impact**

Specific costs will depend on what information cities, towns, counties, school districts, and special service districts currently keep and whether that information is currently available to the public. Businesses and individuals may receive certain benefits from the ability to view state and local government financial and contractual data online.
