
S.B. 168 - Highway Funding Amendments

Fiscal Note

2008 General Session
State of Utah

State Impact

Enactment of this bill will not require additional appropriations. However, if the Department of Transportation is required to use Transportation Funds on highways that are not State highways the funding available to maintain State highways will decrease proportionately.

Individual, Business and/or Local Impact

Enactment of this bill will redistribute funds divided for use on Class B & C Roads by adjusting the population of counties or municipalities with populations less than 10,000 to counties or municipalities to less than 14,000. No new funds will be available but distribution of existing funds will change.
