
Fiscal Note**H.B. 146 - Expenditures of School and Institutional Trust Land Money by
School Districts**

2009 General Session

State of Utah

State Impact

Enactment of this bill will not require additional appropriations.

Individual, Business and/or Local Impact

Enactment of this bill will not create additional costs for local districts, but will allow them to use School LAND Trust Program monies for purchase of solar or geothermal systems which may, in turn, impact revenue available for education.
