
S.B. 38 3rd Sub. (Ivory) - Severance Tax Amendments

Fiscal Note

2009 General Session

State of Utah

State Impact

Enactment of this bill would transfer funds from the General Fund to the Permanent State Trust Fund beginning in FY 2012. The incremental transfer would likely be \$2,900,000 in FY 2012 and \$19,800,000 in FY 2013. When the base amounts become zero in FY 2017, all revenue collected from oil, gas, and mining severance taxes would be credited to the Permanent State Trust Fund rather than the General Fund. The expected total amount is \$99,000,000 in FY 2017.

Individual, Business and/or Local Impact

Individuals, businesses, and local taxing entities located in impacted areas will benefit by having greater funds available for projects related to capital and infrastructure development and economic diversification.
