
S.B. 83 - Condemnation Amendments

Fiscal Note

2009 General Session
State of Utah

State Impact

Enactment of this bill will not require additional appropriations. However, in some cases where delays occur in construction projects, this bill could increase the state's property acquisition costs and legal fees.

Individual, Business and/or Local Impact

Enactment of this bill likely will not result in direct, measurable costs and/or benefits for businesses or local governments. Land owners may benefit by being able to file an action to set aside the condemnation acquisition if the state does meet conditions in the bill.
