**State Impact**

Enactment of this bill would require an appropriation from Dedicated Credits of \$188,900 in FY 2011 and \$377,700 annually thereafter to the Division of State Archives to develop and maintain the program and website expansion required in the bill. The Division of State Archives will charge fees to cover their costs. There are potential costs savings beginning in FY 2012 of approximately \$100,000 to state agencies which will no longer have to pay costs for certain newspaper advertisements.
