

FISCAL NOTE

S.B. 138

SHORT TITLE: Health Insurance Mandate Accountability Amendments

SPONSOR: Weiler, T.

2012 GENERAL SESSION

STATE GOVERNMENT (UCA 36-12-13(2)(b))

The state will be required to appropriate money necessary to fund the full cost of implementing a health insurance mandate applicable to public education, higher education, and state employees. It is unknown at this time what appropriations will be required.

LOCAL GOVERNMENTS (UCA 36-12-13(2)(c))

School districts and charter schools will receive state appropriations for implementing applicable health insurance mandates.

DIRECT EXPENDITURES BY UTAH RESIDENTS AND BUSINESSES (UCA 36-12-13(2)(d))

Individuals covered by state, school district, charter school, or state funded institutions of higher education health insurance plans may benefit from state funded health insurance mandates.
