SHORT TITLE: Government Competition with Private Enterprise

SPONSOR: Anderson, J.

2012 GENERAL SESSION

STATE GOVERNMENT (UCA 36-12-13(2)(b))

Enactment of this bill may cost the Department of Administrative Services \$10,000 per year ongoing from the General Fund for workload increases at the Privatization Policy Board.

Other state agencies report that the cost of the bill could range from \$0 to \$24,000 each for studies required in the bill. Agencies might also experience cost savings from ceasing activities that the Privatization Policy Board determines can reasonably be performed by private enterprise.

Additional costs to the state may occur in the event that individuals and businesses exercise the private right of action established in this bill and courts find against the State.
