JR4-2-404

Required of the Health and due by January 30, 2015

2015/02/04 11:04, Lead Analyst: Russell T. Frandsen Attorney: SJ

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
