----------------------	------------	------------	------------

### Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation likely will not result in direct, measurable costs for local governments.

### Individuals & Businesses

UCA 36-12-13(2)(d)

Enactment of this bill could increase the income of approximately 20,000 Utah workers by \$5.12 per hour, \$10,650 per year for full time workers, and increase labor costs for businesses by the same amount.

### Performance Note

JR4-2-404

No performance note required for this bill

### Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
