Local Government

Local governments that use the Public Employee Health Plan (PEHP) for health insurance may see an increase in costs statewide of \$2,300 ongoing beginning in FY 2016 for an increase of \$1.39 to obtain each medical record for about 1,650 onsite audits annually.

Individuals & Businesses

Enactment of this legislation may result in increased revenues to a health care provider who provides copies of patient records. The increased revenue would be paid for by patients or patients' personal representatives requesting the records who will pay about \$1.39 on average per occurrence.

No performance note required for this bill

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
