About 1,000 child care workers in FY 2015 and 7,000 ongoing beginning in FY 2016 who previously paid \$15 for a background check to the Department of Public Safety will now pay those fees to the Department of Health. This could result in a shift of revenue of \$15,000 in FY 2015 and \$105,000 ongoing beginning in FY 2016 from dedicated credits to the Department of Public Safety to a deposit in the General Fund. The Department of Health deposits its child care background check fees into the General Fund.

Enactment of this legislation could cost the Department of Health from the General Fund \$12,000 in FY 2015 and \$88,000 ongoing beginning in FY 2016 for 1.6 FTEs to process 1,000 child care worker background checks in FY 2015 and 7,000 ongoing beginning in FY 2016. The Department of Public Safety will no longer be processing these child care background checks at a dedicated credits cost of \$15,000 in FY 2015 and \$105,000 ongoing beginning in FY 2016.

**Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
