Enactment of this bill removes the need-based requirement to receive this tuition waiver. Institutions will be able to waive more tuition than they do now because of this but it will depend on how many students apply and the institution's tuition rate. Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
