

Fiscal Note

S.B. 159

2015 General Session
Background Checks for State Accountants
by Henderson, D.

General, Education, and Uniform School Funds

JR4-5-101

	Ongoing	One-time	Total
Net GF/EF/USF (rev.-exp.)	\$0	\$0	\$0

State Government

UCA 36-12-13(2)(b)

Enactment of this legislation likely will not materially impact state revenue.

Revenues	FY 2015	FY 2016	FY 2017
Total Revenues	\$0	\$0	\$0

Enactment of this legislation provides that the Division of Finance may adopt rules to implement provisions of the bill. Enactment of this legislation also provides that the Division may require a public employee who applies for or holds a public funds position to do one or more of the following: submit a fingerprint card, consent to a criminal background check, or consent to a credit history report. Depending on what checks the Division were to require and what party was responsible for the costs, state agencies could incur costs of up to \$100 per person associated with performing the checks.

Expenditures	FY 2015	FY 2016	FY 2017
Total Expenditures	\$0	\$0	\$0

Net All Funds	\$0	\$0	\$0
---------------	-----	-----	-----

Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation likely will not result in direct, measurable costs for local governments.

Individuals & Businesses

UCA 36-12-13(2)(d)

Enactment of this legislation provides that the Division of Finance may adopt rules to implement provisions of the bill. Enactment of this legislation also provides that the Division may require a public employee who applies for or holds a public funds position to do one or more of the following: submit a fingerprint card, consent to a criminal background check, or consent to a credit history report. Depending on what checks the Division were to require and what party was responsible for the costs, individuals could incur costs of up to \$100 associated with performing the checks.

Performance Note

JR4-2-404

No performance note required for this bill

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
