Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation likely will not result in direct, measurable costs for local governments.

Individuals & Businesses

UCA 36-12-13(2)(d)

An estimated 70 three and four year old students who have disabilities may receive an average annual scholarship of \$2,452 to help pay for private school costs. The total cost for all students could approximate \$171,600 annually.

Performance Note

JR4-2-404

No performance note required for this bill

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
