Local Government

UCA 36-12-13(2)(c)

The Utah State Office of Education (USOE) estimates that local education agencies (LEAs) receive approximately \$64.8 million in federal grants from sources other than the USOE. These sources may be directly from the federal government, other state agencies, other local governments or LEAs, or a state institution of higher education. Enactment of this bill may reduce the amount of federal revenue LEAs receive or have the USOE apply for, receive, and administer the federal grant program.

Individuals & Businesses

UCA 36-12-13(2)(d)

Enactment of this legislation likely will not result in direct, measurable expenditures by Utah residents or businesses.

Performance Note

JR4-2-404

No performance note required for this bill

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
