**Local Government**

UCA 36-12-13(2)(c)

Enactment of this legislation likely will not result in direct, measurable costs for local governments.

**Individuals & Businesses**

UCA 36-12-13(2)(d)

Individuals that wish to have an "In God We Trust" license plate would save \$5 from the elimination of the recognition special group fee. They would still be required to pay the standard \$5 fee.

**Performance Note**

JR4-2-404

No performance note required for this bill

**Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
