Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation would increase the amount city and county police and fire departments would be assessed for participation in the Local Public Safety and Firefighter Surviving Spouse Trust Fund. The increase in assessments would need to be determined through actuarial analysis that considers factors such as the expected number of line-of-duty deaths per department, the number of surviving spouses who choose to receive health coverage, and the duration of participation by surviving spouses.

Individuals & Businesses

UCA 36-12-13(2)(d)

Enactment of this legislation would increase health coverage options available to a surviving spouse of a peace officer or firefighter who dies in the line of duty.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
