Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation likely will not result in direct, measurable costs for local governments.

Individuals & Businesses

UCA 36-12-13(2)(d)

Enactment of this bill limits a monthly interconnection fee to no more than \$2 for net metering ratepayers who do not elect cash payments authorized in the bill, and allows a monthly interconnection fee exceeding \$2 for those who elect cash payments. The impact on customers and independent energy producers cannot be quantified at this time since we do not know how many customers will elect each option.

Performance Note

JR4-2-404

No performance note required for this bill

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
